WHAT OUR STUDENTS SAY ABOUT US?

Andrea M

UBS

"Would highly recommend to Business/Finance majors looking to gain financial modelling experience as well as anyone who wants to break into the industry"

⭐⭐⭐⭐⭐

David T

Goldman Sachs

"What stood out for me was the real world examples which made it engaging and relevant and the training bought it to life"

⭐⭐⭐⭐⭐

Joseph K

NOMURA

"The course is contemporary, using tangible, everyday examples to consolidate seemingly abstract concepts from accounting to financial modelling. This is a truly great and unique opportunity"

⭐⭐⭐⭐⭐

Carolina M

Morgan Stanley

"I highly recommend it to anyone who wants to gain advanced technical skills and have real insight into what the industry is like. I now feel very confident about my skills and much more prepared walking into interviews"

⭐⭐⭐⭐⭐

CITY INVESTMENT TRAINING

WHAT OUR STUDENTS SAY ABOUT US?

Tom C

FINANCIAL TECHNOLOGY PARTNERS

I highly recommemd the course for anyone trying to break into banking as it builds up the core foundations needed to separate yourself from the rest of the job candidates.

⭐⭐⭐⭐⭐

Amar P

MOELIS

"The theory and the application model of the course works very well. I think what that does is it allows us to walk into any analyst job feeling confident."

⭐⭐⭐⭐⭐

Tom K

RCL
RENEVO CAPITAL LIMITED

I attended the 8 week course in July 2023. Within the first week after finishing I had secured 4 separate interviews with various IB / PE firms and later converted one into a full time role. Would highly recommend!

⭐⭐⭐⭐⭐

Nifemi

UBS

“Some of the proprietary knowledge we gain at City Invesment Training such as the Goldman Sachs approach approach on pitching a stock in an interview was a game changer. This approach helped me land my first equity research summer internship at a bulge bracket bank.”

⭐⭐⭐⭐⭐
